價錢		\$23,000		\$13,000		\$4,200
體檢附加項目優惠		\$21,850		\$12,350		\$4,000

條款及細則

○以上價錢不包括前後兩次醫生診金，每次價錢為星期一至六\$285，星期日及公眾假期\$395。○如病人在接受其他診症服務時加購此檢測，則毋須另付上述診金。○以上癌症篩查為初步癌症檢測，如病人樣本驗出癌細胞基因，可考慮按醫生建議接受進一步檢查和治療。○優惠不能與其他優惠同時使用。○本院保留提供服務及解釋條款的最終權利。○此檢測不評估遺傳性癌症風險，無需遺傳諮詢。○此檢測非診斷性檢測，陽性結果需後續檢測。○此檢測應作為常規篩檢的補充而非替代。○此檢測僅檢測列明癌症，其他癌症仍可能發生。○腦腫瘤不包括在檢測內，因為釋放到循環系統中的ctDNA 和ctRNA 有限。○假陽性/假陰性結果仍可能出現，建議每年檢測。

Terms and Conditions

○The above prices do not include two doctor's consultation fees before and after the screening. The fee is \$285 for Mondays to Saturdays and \$395 for Sundays and public holidays. ○If patients wish to undergo this test during other consultation services, no additional consultation fees stated above are required. ○These cancer screenings are preliminary tests only. If a patient's sample tests positive for cancer cell genes, the patient may consider further examinations and treatment based on the doctor's advice. ○This offer cannot be combined with other promotions. ○The Hospital reserves the final right to provide services and interpret the terms. ○This test does not assess inherited cancer risk and no genetic counseling is needed. ○This test is not a diagnostic test and positive results require follow-up testing. ○This test should complement but not replace routine screenings. ○This test detects only listed cancers and other cancers may still occur. ○Brain tumors are not included in the test due to limited ctDNA + ctRNA release into circulation. ○False positives and false negatives can occur and annual testing is recommended.
